## Navy League of the United States and the Kingsville Council

Proudly serving the men and women of our U.S. Sea Services – Navy, Marine Corps, Coast Guard and U.S.-flag Merchant Marine and their families at home and abroad since 1902. The Kingsville Council of the Navy League (KCNL) was formed in 1955. KCNL has adopted five sea service units for our targeted support: Naval Air Station KINGSVILLE, Training Air Wing TWO, Navy Operational Support Center (NOSC) HARLINGEN, Training Squadron TWO ONE, & Training Squadron TWO TWO. With great anticipation, KCNL looks forward to the opportunity to adopt the crew of the future USS Kingsville (LCS 36).

## About Us

The Kingsville Council of the Navy League is a non-profit 501(c)(3) organization comprised of over 80 local citizens, some with military backgrounds and some without. Four of our members are elected officers and up to 15 are voting board members. Our primary goal is to improve the quality-of-life of sea service personnel in south Texas and onboard the future USS KINGSVILLE (LCS 36). This goal is primarily achieved by the Kingsville Council hosting social events or providing support to many successful programs and events. Our support activity allows sea service personnel to spend more time with family and friends and less time involved in exhaustive off-duty fundraising. Our support also reduces their out-of-pocket expenses for extracurricular activities and other military events. We believe these benefits provide an extreme morale boost to those we support. We are proud and honored to serve those who serve our country.
